### **About Old Republic**

Chicago-based Old Republic International Corporation is an insurance holding company whose subsidiaries market, underwrite and provide risk management services for a wide variety of coverages, principally in the property and liability, and title insurance fields. A long term interest in mortgage guaranty and consumer credit indemnity lines has devolved to a run-off operating mode in recent times.

One of the nation's 50 largest publicly owned insurance organizations, Old Republic has consolidated assets of approximately \$16.3 billion and common shareholders' equity of \$3.6 billion, or \$13.95 per share. Its current stock market valuation is approximately \$3.8 billion, or \$14.55 per share.
